

## Course Update

Greens aerification is already complete. Aerification was suppose to be on the 6th and 7th of this month, but due to weather forecast it was moved up a week, and our staff has already got it done. They will also be fertilizing the greens this month to continue to help with growth.

## Thursday Scrambles

Thursday scrambles are off to a great start. Last week we had 17 teams signed up which was an awesome turn out. You can find the sign up sheet at the counter starting every Monday. Please sign up by 5:30pm and pay by 5:45pm on Thursdays. Teams are allowed, but must follow an ABCD, or worse, format.
